

**Minutes**  
**Sterling Cable TV Advisory Board**  
**March 27, 2009**

Present: Chairman Robert Bloom, Arthur Coughlin, Joseph Gunther, Richard Maki and Selectman Richard Sheppard, Administrator Terri Ackerman, and Facilities Manager Thomas Rutherford.

The meeting began at 10:30 am in room 209 at the Butterick Municipal Building.

The purpose of the meeting was to view and discuss possible locations for temporary and long-term storage and operation of access cable television equipment in the Butterick Building and/or the 1835 Town Hall.

To this end, the meeting toured numerous small spaces in both buildings. Common concerns included: inadequate size, climate issues with equipment, access to the fiber optic lines to and within the buildings, interruption of on-going governmental services, security, and need for limited renovations.

The meeting ended at 11:45 and no MOTIONS OR VOTES were recorded.
