

**Sterling Recreation Department
December 9, 2008 - Minutes**

Present: Jess, Mark, Heather, Judy, Jo-Ann

Reviewed minutes: Approved.

Basketball Programs:

- Evaluations will be Dec. 11th & 15th for division IV & V

Fields:

- The fields look good. Bike race went well and no damage to the fields.
- Football will pay for winterizing bathrooms again; they need to make sure they check with DPW's schedule for winterizing next year so they can get a port a potty.

New Business:

- Judy will be moving to the 1835 Town Hall in early January. She is making sure locks are all set and they will be installing a buzzer on the door. The town hall will allow areas for information and drop-off box to still be in Main Town Hall.
- Matt Emsley came to the meeting to explain the role of liaison for the budget committee. He will be working with Rec. to help keep us updated on town budget matters and also be more informed for his committee on our committee. He will be able to help Judy with the budget proposals and have questions that may arise before presentations. This will be a great benefit to all committees in the town.

Next meeting January 20th
