

STERLING BOARD OF SELECTMEN'S EXECUTIVE MINUTES

August 22, 2018

LMC Realty Trust, et. al. vs Town of Sterling ERB

At 8:55 pm, the Board, having already entered into executive session, proceeded to the topic of Foley vs the Earth Removal Board.

Discussion:

Due to the uniqueness of the construction site at 38 Clinton Road and the questions regarding the "conditions" on said site, Selectman Kilcoyne suggested that it would be wise to obtain someone as a technical expert who would be well able to address the issues and concerns. The Board determined that a civil engineer would be able to assist the ERB and thereby protect the interests of the Town. There was consensus regarding this idea and the Board asked the Town Administrator, as CPO, to hire the appropriate person for this project.

At 9:02 pm Selectman Cranson moved to adjourn from executive session and to reconvene in Public session. Selectman Kilcoyne 2nd. Roll Call VOTE: Selectman Kilcoyne - Aye. Selectman Cranson – Aye. Chairman Lane – Aye. Motion carried.
