MINTUES: Mr. Kelley gave an up-date regarding the contract negotiations. Chief Chamberland is concerned that the recent proposals will result in over- time rates that are too high. Mr. Kelley explained that in order to implement changes, it is necessary to include the following articles in the upcoming Special Town Meeting:

1. Rescind the Quinn Bill
2. Special legislation to exclude the Town from the Quinn Bill (in case court rules we have a current contract)
3. Fund Retro FY 11 and Fy12
