Administrator, Terri Ackerman presented the Board with a salary survey of surrounding Towns with similar populations. Per this survey, Ms Ackerman reported the average salary for Town Administrators is approximately \$13,000 more than her current salary. Therefore Ms Ackerman made the suggestion that the Board could change her pay grade from grade 10 to grade 11. This change would make her salary more competitive with the Chief of Police and Fire chief, for whom she is considered a supervisor.

The Board would like to schedule the next executive meetings, without Ms Ackerman in attendance.
