Town Administrator:

The Board discussed the options. The Board can either terminate employment or renew the contract.

Chairman Sushchuk stated that he would like to renew the Town Administrator's contract for either one or three more years. He stated that the requirement for termination was a unanimous vote. He also stated that terminating employment would most likely result in paying a higher salary, as was indicated in the recent salary survey that was presented at a prior executive meeting.

Selectman Patacchiola offered criticism as well as compliments for the Town Administrator.

The Board discussed the differences between the previous and current Town Administrators. Chairman Sushchuk reminded the Board that there may be clashes between Department Heads and Administrators regardless of who holds the position.
