Meeting called to order at 7:06 pm

Deane Day, Larry Favreau and Gregg Aubin present

Minutes of March 24, 2020 were read. Larry Favreau made a motion to accept the minutes as read, Deane Day seconded the motion. All in favor 2-0.

Public Session

- Larry Favreau informed Rosanne Mapp that she was not allowed at the meeting. Rosanne Mapp had entered the building before the Board members had entered the building. Rosanne Mapp stated she made the effort in spite of being high risk to attend the meeting. Larry Favreau, Gregg Aubin, and Deane Day were in agreement to allow Rosanne Mapp to speak. Roseann Mapp stated her concern that the DPW meetings were not televised and that we should check into Zoom. Susan Genereux stated that the meeting minutes can be found online. Gregg Aubin stated it was time to move onto other business.

Superintendent Report DPW

- Paul Lyons explained the progress of a large culvert completed on Upper North Row Rd. Deane Day noted that the DPW was doing a great job.
- Twine Road reopening this summer.
- Chip Sealing request for bids due by 10am on April 15, 2020.
- Redstone Hill Rd culvert replacement; flooding was a problem
- Paul Lyons went on to summarize the DIA training that has taken place at the DPW. The training covered road side work, trenches, and safety procedures.
- Flow of traffic at ballfield on Redstone Hill Rd; make it one way entrance and one way exit (entering through Redstone Hill Rd and exiting from Clinton Rd).
- Gregg Aubin stated that the DPW could use two stones from Wiles Road to replace Jersey barriers at the town beach
- Paul Lyons suggested a temporary driveway permit to help to eliminate icing on the roads in the winter.
- Paul Lyons stated that street sweeping will begin the week of April 20, 2020.

Superintendent Report Water

- Paul Lyons informed the Board that hydrant flushing was going well.
