Attendance – Thus far this year, 178 different seniors have come to the Senior Center and have participated in 1432 different activities. If you count those over 40, the numbers increase to 186 different people participating in 1531 different activities.

Grants – We applied for 2 grants this month. One grant was for iPads for the Senior Center. The other grant was for buying CO detectors for seniors over 80 in town. We did not get the grant for the iPads. We have moved onto round 2 for the CO detector grant.

Outreach – This month the Outreach Aide was able to make contact with 17 home visits. She also handled 39 walk-ins, emails, and phone contacts.
