ANNUAL BUDGET MESSAGE

To the Citizens of Sterling,

Your Finance Committee respectfully submits its report and our town's budget recommendation for the fiscal year beginning July 1, 2016 and ending June 30, 2017. We have reviewed each town department's budget request which we present at the back portion of this warrant.

As part of the Finance Committee's budget deliberations over the past several months, the Committee, in conjunction with the Town Moderator, has moved to make revisions to the town meeting warrant you have received. The result of these revisions is a more streamlined warrant, as previously separate money articles are now being included in the appropriate departmental operating budget figure. In addition, all capital expenditures are now included in one single article on the warrant rather than multiple articles as in prior years. This effort has reduced the number of warrant articles this year to 33 from 40 the previous year. It is the expectation of the Committee that this will provide for an orderly review of the town's operating budget while maintaining the high level of transparency that voters have come to expect.

The Finance Committee recommendations are consistent with the goal of minimizing year to year tax bill increases. It is also reflective of our commitment to maintain municipal services, protecting town assets, and supporting capital needs while guarding the town's financial position. This continues to be an ongoing challenge as sources of new revenue growth remain limited.

- Capital Requests

After careful consideration and review of capital requests totaling \$807,250 from all departments, our recommendation this year is that \$414,250 of capital requests be approved. These items are consolidated into one single article (Article 8), and would be funded primarily through certified free cash, with some transfers from reserves and old articles. It is important to note that based on our recommendations, there would be no added debt to fund these expenditures.

- School District Assessments

Last year the town approved the original Wachusett Regional School District assessment, which totaled \$10,465,389. Subsequently, the assessment was reduced to \$10,179,012, after two district towns failed to approve this original assessment. This year, the WRSD increased their assessment to \$10,901,563. This represents a 4.2% increase from the approved initial

assessment, and a 7.1% increase from the final assessment. The Montachusett Regional Vocational Technical School District increased their assessment from \$768,074 for FY16 to \$789,187 in FY17. This represents an increase of \$21,113, or 2.7%.

- Capital Fund

Several years of funding capital purchases from the Capital Fund has reduced the fund to its present balance to just over \$4 million. The Finance Committee and the Capital Fund Committee both recommend funding new capital requests from “raise and appropriate” or other sources instead of accessing the Capital Fund or incurring new debt this upcoming fiscal year. We feel this “pay as you go” approach is prudent and helps grow the fund for future planning purposes. The Committees jointly recommend appropriating \$50,000 to the Capital Fund in this upcoming budget year.

- Other Post-Employee Benefits (OPEB)

The Town of Sterling provides postemployment medical benefits to town retirees and their covered dependents commonly referred to as OPEB. As such, the liability to fund these benefits in the future is estimated using an actuarial valuation. Based on these calculations, Sterling has a substantial unfunded liability which requires a fundamental change in how we confront this issue. Migrating from a “pay as you go” to a pre-funded approach is the first step in this process.

The Finance Committee will continue to address this matter in its budget deliberations and recommends appropriating \$100,000 in this fiscal year budget as outlined in Article 21. These funds would be added to an investment account already established to fund this liability.

We would like to thank the voters, departments, boards and committees for their contributions and continued support of our efforts to provide a balanced budget to meet the needs of the town.

Respectfully Submitted;

The Town of Sterling Finance Committee
