

THE COMMONWEALTH OF MASSACHUSETTS

SPECIAL TOWN MEETING

October 15, 2007

Worcester, ss.

To the Warrant Officer or either of the Constables of the town of Sterling in the county of Worcester:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the Inhabitants of the town of Sterling qualified to vote in elections and town affairs to meet at the Chocksett School on Boutelle Road, in said Sterling on

MONDAY EVENING, THE FIFTEENTH DAY OF OCTOBER, 2007

at seven (7:00) o'clock in the evening, then and there to act on the following articles:

ARTICLE 1. To see if the Town will vote to amend Article 1 of the May 2007 Annual Town Meeting to read as follows:

To see if the Town will vote to raise by taxation and appropriate the sum of \$8,222,011 , and to further appropriate, from the EMS Receipts Account, the sum of \$273,306 , or any other sum for the payment of salaries and compensation, payment of debt and interest and for charges, expenses and outlays of the Town departments, for the ensuing fiscal year, beginning July 1, 2007 and ending June 30, 2008, or take any action in relation thereto.

Submitted by: Board of Selectmen

Recommendation: The Finance Committee recommends the passage of this article.

Summary: This is a correction to the wording and mathematical formula for the general budget article that funds the Town departments for the current fiscal year. There are 2 corrections to make: 1) \$273,306 for EMS Receipts was accidentally included in the total, and 2) \$15,000 for Information Technology, shown on the bottom of page 7 of the ATM Warrant, was accidentally omitted from the total. A breakdown of the Town Department budgets can be viewed in the Annual Town Meeting warrant.

	<u>Incorrectly Voted- May ATM</u>	<u>Correct Vote</u>
Raise & Appropriate	\$8,480,317	\$8,222,011
EMS Receipts	<u>+ 273,306</u>	<u>+ 273,306</u>
Total Op. Budget	\$8,753,623	\$8,495,317

ARTICLE 2. To see if the Town will vote to reduce the amount voted in Article 4 of the May 2007 Annual Town Meeting by \$35,560 , (for a total of \$958,267 above the net minimum contribution, down from 993,827) as requested by the Wachusett Regional School District;

And further to see if the Town will vote to apply a portion of the excess funds as follows:

\$ 7,600 Transfer for One-time start up costs of a newly developed official Town Web site,
\$11,700 Transfer to Operating Budget: Information Technology Professional Services,

Said sums to be expended by the Board of Selectmen;

Or take any action in relation thereto.

Submitted by: Board of Selectmen

Recommendation: The Finance Committee recommends the passage of this article.

Summary: The Town of Sterling's assessment to the Wachusett Regional School District has been revised downward by \$35,560 , based on the collective efforts of the five regional towns to work with the WRSD administration on a fiscally responsible budget.

ARTICLE 3. To see if the Town will vote to reduce the amount voted in Article 5 of the May 2007 Annual Town Meeting by \$3,488 (for a total of \$ 591,541 , down from \$595,029) as requested by the Montachusett Regional Vocational Technical School District;
Or take any action in relation thereto.

Submitted by: Board of Selectmen

Recommendation: The Finance Committee recommends the passage of this article.

Summary: The Town of Sterling's assessment to the Montachusett Regional School District has been revised downward by \$3,488.

ARTICLE 4. To see if the Town will vote to amend Article 1 of the May 2007 Annual Town Meeting, as follows:

Transfer \$2,250 from Town Administrator Expenses to Information Technology Web Site Maintenance,
Transfer \$3,900 from Town Administrator Expenses to Board of Health Inspector,
Transfer \$6,000 from DPW Superintendent Salary to DPW Expenses,
Transfer \$16,800 from DPW Superintendent Salary to DPW Wages,

Or take any action in relation thereto.

Submitted by: Board of Selectmen and Department of Public Works Board

Recommendation: The Finance Committee recommends the passage of this article.

Summary: This article transfers money between line items in the budget to better address needs and provide services. No additional money is raised.

ARTICLE 5. To see if the town will vote to transfer from Water Enterprise Retained Earnings the sum of \$200,000 to pay for water repairs and reconstruction in conjunction with receipt of a CDBG grant of \$885,000 for septic improvements at Waushacum Village, said sum to be expended by the Department of Public Works Board, or take any action in relation thereto.

Submitted by: Board of Selectmen and Department of Public Works Board

Recommendation: The Finance Committee recommends the passage of this article.

Recommendation: The Department of Public Works Board recommends the passage of this article.

Summary: The purpose of the Water Enterprise Retained Earnings is to provide funding for capital repairs and renovations to the Town's water system on a regular basis. This is an opportune time to perform necessary repairs and renovations to the water mains and pipelines in the Waushacum Village neighborhood, while concurrent CDBG septic work is being performed. The CDBG grant for septic improvements is contingent upon this water expenditure and the Department of Public Works Board has voted that \$200,000 be dedicated to this project from Retained Earnings. No tax dollars or additional fees will be required.

ARTICLE 6. To see if the town will vote to transfer from Water Enterprise Retained Earnings to Water Overtime the sum of \$6,000 , or any other sum, said sum to be expended by the Department of Public Works Board, or take any action in relation thereto.

Submitted by: Department of Public Works Board

Recommendation: The Finance Committee will report at Town Meeting.

Summary: This article transfers funds from the Water Enterprise Fund Retained Earnings to the Water Enterprise Fund Operating budget to better address needs and provide services. No additional money is raised.

ARTICLE 7. To see if the Town will vote to raise and appropriate, or transfer from previously appropriated available funds in accordance with Mass. Gen. Laws CH 44, Section 33B, the sum of \$10,000 , to be used for needed repairs to the roof, exterior walls, and interior floor of the former school building located at School Street occupied by Hiram O. Taylor Post 189, American Legion, or take any action in relation thereto.

Submitted by: Petition

Recommendation: Both the Finance Committee and the Capital Committee will report at Town Meeting.

Summary: The roof, walls and floor at the Legion Hall need to be repaired.

ARTICLE 8. To see if the Town will vote to amend the Town of Sterling Protective (Zoning) Bylaw at Section 4.3 Rate of Development, Subsection 4.3.2 General by changing the word “ten” in the first sentence to “fifteen” and also at Subsection 4.3.6 Time and Limitation and Extension by changing the year “2008” to the year “2013” in both places where it occurs in the Subsection, or take any relative action thereon.

Submitted by: Planning Board

Recommendation: The Finance Committee defers to Town Meeting on this article.

Summary: This change extends Section 4.3 Rate of Development, for an additional five (5) years. The Planning Board held the required public hearing regarding this zoning amendment on April 25, 2007.

ARTICLE 9. To see if the Town will vote to amend the Town of Sterling Protective (Zoning) By-Law at Section 6.4 Site Plan Review by adding the following subsection:

6.4.10 As-Built Plan Within thirty (30) days after completion of the project an As-Built Plan will be submitted to the Planning Board in both paper and digital form as specified by the Planning Board.”

or take any relative action thereon.

Submitted by: Planning Board

Recommendation: The Finance Committee defers to Town Meeting on this article.

Summary: This amendment will aid in updating the Town’s Storm Drain System Map, in connection with the Illicit Discharge Detection and Elimination Plan, as required by the Massachusetts Department of Environmental Protection and the U.S. Environmental Protection Agency. The Planning Board held the required public hearing regarding this zoning amendment on September 26, 2007.

ARTICLE 10. To see if the town will vote to amend the Protective (Zoning) By-laws of the Town of Sterling at Section 4.6.4 Prohibited Uses in any Aquifer (A) or Water Resource (W) Protection District by adding after the words “liquid petroleum products of any kind” in subsections (a) and (b) the words “excluding the liquefied petroleum gases propane, propylene, butanes, butylenes and liquefied natural gas, or take any relative action thereon.

Submitted by: Planning Board

Recommendation: The Finance Committee defers to Town Meeting on this article.

Summary: The effect of the amendment will be to permit the storage, above or below ground, of certain petroleum products which are gases when not confined under pressure. The Planning Board held the required public hearing regarding this zoning amendment on September 26, 2007.

ARTICLE 11. To see if the town will vote to amend the Protective (Zoning) By-laws of the Town of Sterling at Section 3.3 Site Development Requirements by adding the following subsection, Or act on anything relative thereto.

“3.3.2.4 All storm water management systems for new development and redevelopment projects that result in a land disturbance of one or more acres and discharge storm water into the municipal system must comply with the Massachusetts Department of Environmental Protection (DEP) Storm water Management Policy Handbook and Technical Handbook, whether or not the project falls within the jurisdiction of the Wetland Protection Act (MGL Ch 131 S 40). This enforcement will include projects that are less than one acre if the project is part of a larger common plan development. “

Submitted by: Conservation Commission

Recommendation: The Finance Committee defers to Town Meeting on this article.

Recommendation: The Planning Board will report at Town Meeting.

Summary: The purpose of this bylaw is to satisfy EPA mandates regarding prevention of pollution in the town’s storm water system. The Planning Board will hold the required public hearing regarding this zoning amendment on October 10, 2007.

ARTICLE 12. To see if the town will vote to amend the Protective (Zoning) By-laws of the Town of Sterling at Section 6.4 Site Plan Review by adding at end of Subsection 6.4.4 Submittals the following:

“10. All storm water management systems for new development and redevelopment projects that result in a land disturbance of one or more acres and discharge storm water into the municipal system must comply with the Massachusetts Department of Environmental Protection (DEP) Storm water Management Policy Handbook and Technical Handbook, whether or not the project falls within the jurisdiction of the Wetland Protection Act (MGL ch 131 S 40). This enforcement will include projects that are less than one acre if the project is part of a larger common plan development. “

Or to act on anything relative thereto.

Submitted by: Conservation Commission

Recommendation: The Finance Committee defers to Town Meeting on this article.

Recommendation: The Planning Board will report at Town Meeting.

Summary: The purpose of this bylaw is to satisfy EPA mandates regarding prevention of pollution in the town’s storm water system. The Planning Board will hold the required public hearing regarding this zoning amendment on October 10, 2007.

ARTICLE 13. To see if the town will vote to amend the General Bylaws of the Town of Sterling by creating a new section entitled, ILLICIT CONNECTIONS AND DISCHARGES TO THE STORM DRAIN SYSTEM, as follows, or to act on anything relative thereto:

ILLICIT CONNECTIONS AND DISCHARGES TO THE STORM DRAIN SYSTEM

SECTION -1 PURPOSE and AUTHORITY

1. Purpose

The purpose of this by-law is to regulate illicit connections and discharges to the storm drain system, which is necessary for the protection of Sterling’s water bodies and groundwater, and to safeguard the public health, safety, welfare and the environment.

The objectives of this By-Law are:

- A. To prevent pollutants from entering Sterling’s municipal separate storm sewer system (MS4);
- B. To prohibit illicit connections and unauthorized discharges to the MS4;

- C. To require the removal of all such illicit connections;
- D. To comply with state and federal statutes and regulations relating to stormwater discharges; and
- E. To establish the legal authority to ensure compliance with the provisions of this by-law through inspection, monitoring and enforcement.
- F. To prevent contamination of drinking water supplies.

2. Authority

The Department of Public Works shall administer, implement and enforce this by-law. Any powers granted to or duties imposed upon the Department of Public Works may be delegated in writing by the Board of Public Works to employees or agents of the Department of Public Works.

Section -2. DEFINITIONS

For the purposes of this by-law, the following shall mean:

Authorized Enforcement Agency: The Department of Public Works, its employees or agents designated to enforce this by-law.

Best Management Practice (BMP): An activity, procedure, restraint, or structural improvement that helps to reduce the quantity or improve the quality of stormwater runoff.

Clean Water Act: The Federal Water Pollution Control Act (33 U.S.C. Section 1251 et seq.) as hereafter amended.

Discharge Of Pollutants: The addition from any source of any pollutant or combination of pollutants into storm drain systems or into the waters of the United States or Commonwealth from any source.

Groundwater: All water beneath the surface of the ground.

Illegal Discharge: Any direct or indirect non-stormwater discharge to **storm drain systems**, except as specifically exempted in Section 5. The term does not include a discharge in compliance with an NPDES Storm Water Discharge Permit or resulting from the activities exempted pursuant to Section 5, subsection 4, of this by-law.

Illicit Connection: Any surface or subsurface drain or conveyance, which allows an illegal discharge into **storm drain systems**. Illicit connections include conveyances which allow a non-stormwater discharge to **storm drain systems** including sewage, process wastewater or wash water and any connections from indoor drains sinks, or toilets, regardless of whether said connection was previously allowed, permitted, or approved before the effective date of this by-law.

Impervious Surface: Any material or structure on or above the ground that prevents water from infiltrating the underlying soil.

Municipal separate storm sewer system (MS4) or municipal storm drain system: The system of conveyances designed or used for collecting or conveying stormwater, including any road with a drainage system, street, gutter, curb, inlet, piped storm drain, pumping facility, retention or detention basin, natural or manmade or altered drainage channel, reservoir, and other drainage structure that together comprise the storm drainage system owned or operated by the Town of Sterling.

National Pollutant Discharge Elimination System (NPDES) Storm Water Discharge Permit: A permit issued by United States Environmental Protection Agency or jointly with the State that authorized the discharge of pollutants to waters of the United States.

Non-Stormwater Discharge: Any discharge to the **storm drain systems** not composed entirely of stormwater.

Person: Any individual, partnership, association, firm, company, trust, corporation, and, any agency, authority, department or political subdivision of the Commonwealth or the federal government, to the extent permitted by law, and any officer, employee, or agent of such person.

Pollutant: Any element or property of sewage, agricultural, industrial or commercial waste, runoff, leachate, heated effluent, or other matter whether originating at a point or nonpoint source, that is or may be introduced into any sewage treatment works or waters of the Commonwealth. Pollutants shall include:

- (1) paints, varnishes, and solvents;
- (2) oil and other automotive fluids;
- (3) non-hazardous liquid and solid wastes and yard wastes;
- (4) refuse, rubbish, garbage, litter, or other discarded or abandoned objects, accumulations and floatables;
- (5) pesticides, herbicides, and fertilizers;
- (6) hazardous materials and wastes; sewage, fecal coliform and pathogens;
- (7) dissolved and particulate metals;
- (8) animal wastes;
- (9) rock; sand; salt; soils;
- (10) construction wastes and residues;
- (11) noxious or offensive matter of any kind.

Process wastewater: means any water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any material, intermediate product, finished product, or waste product.

Recharge: The process by which groundwater is replenished by precipitation through the percolation of runoff and surface water through the soil.

Stormwater: Runoff from precipitation or snow melt.

Storm Drain System: The system of conveyances designed or used for collecting or conveying stormwater, including any road with a drainage system, street, gutter, curb, inlet, piped storm drain, pumping facility, retention or detention basin, natural or man-made or altered drainage channel, reservoir, and other drainage structure that together comprise the storm drainage system on public or private ways within the Town of Sterling.

Toxic or Hazardous Material or Waste: Any material, which because of its quantity, concentration, chemical, corrosive, flammable, reactive, toxic, infectious or radioactive characteristics, either separately or in combination with any substance or substances, constitutes a present or potential threat to human health, safety, welfare, or to the environment. Toxic or hazardous materials include any synthetic organic chemical, petroleum product, heavy metal, radioactive or infectious waste, acid and alkali, and any substance defined as Toxic or Hazardous Under G.L Ch 21C and Ch 21E, and the regulations at 310 CMR 30.000 and 310 CMR 40.000.

Uncontaminated: Water containing no pollutants.

Waters of the Commonwealth: All waters within the jurisdiction of the Commonwealth, including, without limitation, rivers, streams, lakes, ponds, springs, impoundments, estuaries, wetlands, coastal waters, and groundwater.

Wastewater: Any sanitary waste, sludge, or septic tank or cesspool overflow, and water that during manufacturing, cleaning or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct or waste product.

SECTION -3. APPLICABILITY

This by-law shall apply to flows entering the storm **water and** drainage system **on public or private ways with the Town of Sterling.**

Section -4 REGULATIONS

The Board of Public Works may promulgate rules, regulations and a permitting process to effectuate the purposes of this by-law. Failure by the Board of Public Works to promulgate such rules and regulations shall not have the effect of suspending or invalidating this by-law.

Section -5. PROHIBITED ACTIVITIES

1. Illegal Discharges

No person shall dump, discharge, cause or allow to be discharged any pollutant or non-stormwater discharge into **storm drain systems**, watercourse, or into the waters of the Commonwealth.

2. Illicit Connections

No person shall construct, use, allow, maintain or continue any illicit connection to **storm drain systems**, regardless of whether the connection was permissible under applicable law, regulation or custom at the time of connection.

3. Obstruction Storm Drain Systems

No person shall obstruct or interfere with the normal flow of stormwater in or out of **storm drain systems** without prior approval from the Board of Public Works or its designated agent.

4. Exemptions

This section shall not apply to any of the following non-stormwater discharges or flows provided that the source is not a significant contributor of a pollutant to **storm drain systems**.

- A. Municipal waterline flushing;
- B. Discharges from landscape irrigation or lawn watering;
- C. Water from individual residential car washing and temporary fund-raising car wash events;
- D. Discharges from dechlorinated swimming pool water provided it is allowed to stand for one week prior to draining, or tested for chlorine levels with a pool test kit prior to draining (less than one part per million chlorine), and the pool is drained in such a way as not to cause a nuisance;
- E. Discharges from street sweepers of minor amounts of water during operations;
- F. Discharges or flows resulting from fire fighting activities;
- G. Non-stormwater discharges permitted under an NPDES permit, waiver, or waste discharge order administered under the authority of the United States Environmental Protection Agency, provided that the discharge is in full compliance with the requirements of the permit, waiver, or order and applicable laws and regulations.
- H. Flows from potable water sources:
 - I. Springs;
 - J. Natural flows from riparian habitats and wetlands;
 - K. Diverted stream flows;
 - L. Rising groundwater;
 - M. Uncontaminated groundwater infiltration as defined in 40 CFR 35.2005(20), or uncontaminated pumped groundwater;
 - N. Uncontaminated groundwater discharge from a sump pump, with a permit from the Department of Public Works.
- O. Water from exterior foundation drains, footing drains (not including active groundwater dewatering systems, such as dewatering excavations for foundation or pipelines), crawl space pumps, or air conditioning condensation;

- P. Dye testing, provided verbal notification is given to the Department of Public Works prior to the time of the test.

SECTION -6 SUSPENSION OF STORM DRAINAGE SYSTEM ACCESS

1. The Department of Public Works may suspend **storm drain system** access to any person or property without prior written notice when such suspension is necessary to stop an actual or threatened illegal discharge that presents or may present imminent risk of harm to the public health, safety, welfare or the environment. In the event any person fails to comply with an emergency suspension order, the Authorized Enforcement Agency may take all reasonable steps to prevent or minimize harm to the public health, safety, welfare or the environment.
2. Any municipal storm drain system in violation of this by-law may have their **storm drain system** access terminated if such termination would abate or reduce an illicit discharge. The Department of Public Works will notify a violator of the proposed termination of **storm drain system** access. The violator may petition the Department of Public Works for reconsideration and hearing. A person commits an offense if the person reinstates **storm drain system** access to premises terminated pursuant to this section, without prior approval from the Department of Public Works.

SECTION -7 NOTIFICATION OF SPILLS

Notwithstanding any other requirements of local, state, or federal law, as soon as any person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of any known or suspected release of materials at that facility or operation which is resulting or may result in illegal discharge of pollutants, that person shall take all necessary steps to ensure containment, and cleanup of the release. In the event of a release of oil or hazardous materials, the person shall immediately notify the municipal fire and police departments, Department of Public Works and Board of Health. In the event of a release of non-hazardous material, said person shall notify the Authorized Enforcement Agency no later than the next business day. Written confirmation of all telephone, facsimile or in person notifications shall be provided to the Authorized Enforcement Agency within three business days thereafter. If the discharge of prohibited materials is from a commercial or industrial facility, the facility owner or operator of the facility shall retain on-site a written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three years.

SECTION -8 ENFORCEMENT

1. Enforcement

The Department of Public Works or its authorized agent shall enforce this by-law, and the regulations promulgated thereunder, as well as the terms and conditions of all permits, notices, and orders, and may pursue all civil and criminal remedies for such violations.

2. Civil Relief

If anyone violates the provisions of this by-law, regulations, permit, notice, or order issued thereunder, the Department of Public Works may seek injunctive relief in a court of competent jurisdiction to restrain the person from activities which would create further violations or compelling the person to abate or remediate the violation.

3. Orders

The Department of Public Works may issue a written order to enforce the provisions of this by-law or the regulations thereunder, which may include: (a) elimination of illicit connections or discharges to the storm drainage system; (b) termination of access to the storm drainage system; (c) performance of monitoring, analyses, and reporting; (d) cessation of unlawful discharges, practices, or operations; and (e) remediation of contamination in connection therewith. If the Department of Public Works determines that abatement or remediation of contamination is required, the order shall set forth a deadline for completion of the abatement or remediation. Said order shall further advise that, should the violator or property owner fail to abate or perform remediation within the specified deadline, the Town may, at its option, undertake such work, and expenses thereof shall be charged to the violator or property owner.

Within thirty (30) days after completing all measures necessary to abate the violation or to perform remediation, the violator and the property owner will be notified of the costs incurred by the Town, including administrative costs. The violator or property owner may file a written protest objecting to the amount or basis of costs with the Department of Public Works within thirty (30) days following a decision of the receipt of the notification of the costs incurred. If the amount due is not received by the expiration of the time in which to file a protest or within thirty (30) days following the Department of Public Works affirming or reducing the costs, or from a final decision of a court of competent jurisdiction, the costs shall become a special assessment against the property owner and shall constitute a lien on the owner's property for the amount of said costs. Interest shall begin to accrue on any unpaid costs at the statutory rate provided in G.L. Chapter 59, Section 57 after the thirty-first day at which the costs first become due.

4. Criminal and Civil Penalties

Any person who violates any provision of this by-law, valid regulation, or the terms or conditions in any permit or order prescribed or issued thereunder, shall be subject to a fine not to exceed \$300.00 for each day such violation occurs or continues or subject to a civil penalty, which may be assessed in an action brought on behalf of the Town in any court of competent jurisdiction.

5. Non-Criminal Disposition

As an alternative to criminal prosecution or civil action, the Town of Sterling may elect to utilize the non-criminal disposition procedure set forth in G.L. Chapter 40, Section 21D. The Department of Public Works shall be the enforcing entity. The penalty for the 1st violation shall be up to \$100. The penalty for the 2nd violation shall be up to \$200. The penalty for the 3rd and subsequent violations shall be \$300.00. Each day or part thereof that such violation occurs or continues shall constitute a separate offense.

6. Entry to Perform Duties under this By-law

To the extent permitted by state law, or if authorized by the owner or other party in control of the property, the Department of Public Works, its agents, officers, and employees may enter upon privately owned property for the purpose of performing their duties under this by-law and regulations and may make or cause to be made such examinations, surveys or sampling as the Department of Public Works deems reasonably necessary.

7. Appeals

The decisions or orders of the Department of Public Works shall be final. Further relief shall be to a court of competent jurisdiction.

8. Remedies Not Exclusive

The remedies listed in this by-law are not exclusive of any other remedies available under any applicable federal, state or local law.

SECTION -9 SEVERABILITY

If any provision, paragraph, sentence, or clause, of this by-law shall be held invalid for any reason, all other provisions shall continue in full force and effect.

SECTION -10 TRANSITIONAL PROVISIONS

Residential property owners shall comply with this by-law on a schedule set forth in the Department of Public Works compliance order, but such property owners shall in no case have more than six months from the effective date of the by-law to comply with its provisions, unless good cause is shown for the failure to comply with the by-law during that period.

Submitted by: Conservation Commission

Recommendation: The Finance Committee defers to Town Meeting on this article.

Summary: The purpose of this bylaw is to satisfy EPA mandates regarding prevention of pollution in the town's storm water system. The proposed new section of the bylaw will empower the Department of Public Works to prevent pollutants from entering into the town's storm water system.

Or take any action in relation thereto.

Submitted by: The Animal Control Advisory Board.

Recommendation: The Finance Committee defers to Town Meeting on this article.

Summary: This article adds two new sections to the existing Animal Control bylaw.

ARTICLE 19. To see if the Town will vote to transfer the care, custody and control of the 6 parcels enumerated herein, intending to comprise the entire area known as the Sterling Town Forest, from the Department of Public Works Board to the Board of Selectmen, or take any action in relation thereto. The parcels are:

Approximately 10 acres	off Tuttle Road	Map 31	Parcel 3
Approximately 8.4 acres	off Tuttle Road	Map 31	Parcel 4
Approximately 32 acres	off Tuttle Road	Map 31	Parcel 5
Approximately 14.53 acres	off Holden Road	Map 98	Parcel 7
Approximately 10 acres	off Holden Road	Map 100	Parcel 27
Approximately 46.37 acres	off Holden Road	Map 100	Parcel 28

Submitted by: Board of Selectmen

Recommendation: The Finance Committee will report at Town Meeting.

Summary: The Town should be the steward of our Town-owned land, including various parcels known as Sterling Town Forest. The Selectmen will appoint a Forestry Management Committee, in accordance with MGL Ch 45 s 21, for oversight of the Town Forests. Their first step will be a Forestry Management Study in conjunction with Article 20.

ARTICLE 20. To see if the town will vote to transfer from Article # 30 of the May 11, 1998 Annual Town Meeting the remaining balance of \$5,070 , or any other sum, to pay for a Forestry Management Study, said sum to be expended by the Board of Selectmen, or take any action in relation thereto.

Submitted by: Board of Selectmen

Recommendation: The Finance Committee will report at Town Meeting,

Summary: Article # 30 of the May 11, 1998 Annual Town Meeting has a balance of \$5,070 , which is no longer needed, as the needs assessment for new Public Safety building space has been completed. These funds can be utilized for a Forestry Management Study, which is the first step toward managing our Town Forests. The aim of the study will be to identify the forest boundaries with updated surveys, as well as to identify flora and fauna, wetland habitat, historical structures, if any, and potential harvest. Future income from Town Forests could exceed \$1,000 per acre per harvest.

ARTICLE 21. To see if the town will vote to raise and appropriate, borrow, transfer from Capital Fund, or transfer from available funds, the sum of \$25,000 , or any other sum, for the replacement of the library boiler with a new energy efficient model, said sum to be expended by the Library Board, or take any action in relation thereto.

Submitted by: Library Board

Recommendation: The Finance Committee recommends the passage of this article.

Recommendation: The Capital Committee will report at Town Meeting.

Summary: The library was informed by the HVAC service company that the boiler needs to be replaced before the next heating season. An energy audit conducted by the Light Department recommended replacing the boiler with a new energy efficient model. The projection for a new boiler is to use only 60% of the current fuel usage. The current boiler is approximately 30 years old.

ARTICLE 22. To see if the Town will vote to authorize the Board of Selectmen to enter into an agreement with the Town of Rutland under the provisions of M.G. L. CH. 40 Sec. 4A for the purposes of providing transportation to a Sterling student attending the Norfolk County Agricultural School in Walpole; and further to transfer \$17,000 from the Stabilization Account, or from available funds, to pay for transportation of said student, said sum to be expended by the Board of Selectmen and reimbursed by the Commonwealth of Massachusetts, or take any action in relation thereto.

Submitted by: Board of Selectmen

Recommendation: The Finance Committee recommends the passage of this article.

Summary: A Sterling student has been admitted to Norfolk County Agricultural School in Walpole. Under MGL Chapter 74 Section 8A, the Town of Sterling is obligated to provide transportation for this student. The Town will be reimbursed on the Cherry Sheet the following year. Since another student from Rutland will be attending the same school, the students will ride together and Sterling and Rutland will share the cost.

Given under our hands this 27th day of September 2006.
