Meeting called to order at 7:03 pm

Deane Day, Blaine Bershad present

Superintendent Report Water

- After a short discussion, the decision to table the Water Operations Foreman's position was made. 2-0
- Flushing West part of town. Greasing hydrants when flushing.
- Waiting for test results to come back for Well 4

Superintendent Report DPW

- Plans were made to post open positions for Mechanics and Truck Drivers on the Town Website. Also using the Sign Boards in town to list open positions and summer help was suggested by Richard Maki.
- Resident from Hilltop Drive came to DPW Board Meeting requesting that the DPW take away lumber if she takes down the tree.
- The Brick Restaurant in town requested the outside dining to be set up again. It was funded by a Grant (Complete Streets), but was taken down for the winter.
- Geoff Donohue stated the need for a Back Wing Mower and inquired about selling or trade in value of 2 pieces of older equipment.

Next posted meeting date TBD

Motion to adjourn at 8:45 pm

Deane Day, Vice-Chairman
Department of Public Works Board
