

OSIC AGENDA – JUNE 25, 2014:

5:30 PM: Brian Cline will be hosting a hike of the Stillwater River Basin near the mouth of the Wachusett Reservoir. Due to the watershed-critical location, most of the hike will be on DCR-DWSP watershed lands, but we will also be on abutting Town of Sterling lands. Please plan to park & meet in the “unimproved”, gravel overflow parking lot directly across the street from the green-painted “snack shack” on Griffin Road. The snack shack is adjacent to the track within about 30 feet of Griffin Rd.
