Understanding the “Who, What and Why” of Hospice Care

Modern medicine provides so many wonderful options to patients; yet none are as misunderstood as the “hospice care” benefit. This presentation will provide important consumer information about hospice care, how to know if hospice is right for you or your family and put to rest some common misunderstandings about the “H” word.

Carol Recchion, MDiv., has worked in medical organizations for over 30 years. She currently provides community education in Worcester County on behalf of Brookhaven Hospice and the “We Honor Veterans” partnership with the Veteran’s Administration.

“I never hear that the decision to enter hospice was too early. On the other hand, I hear over and over again from people who say they wish they had made the decision sooner than they did.” From smartpatients.com an online support group

The AAA Older and Wiser Driver

Tuesday February 7th at 12:30

A 60 minute program that helps you sharpen your driving skills

This program discusses the changes seniors need to consider in maintaining safe driving skills. This workshop discusses the reasons our driving skills deteriorate as we age and ways we can accommodate or overcome these changes. Practical advice is offered in how one can compensate for these changes and drive safer for a longer period of time! Aging is inevitable, but growing older doesn’t have to mean giving up an active life.

In addition we will be discussing some of the latest automotive technology that can help keep you safe behind the wheel.

The program will be presented by John Paul, the Senior Manager of Traffic Safety for AAA, “aka” The Car Doctor so bring your car questions too!

AAA will be providing a gift bag with a free AAA membership to one lucky participant. It may be your lucky day!

Have you heard of our Friendly Visitor Program?

It is great program pairing up home bound seniors with seniors who want to visit another senior. The visitor comes for coffee, games or just to chat. You make your own visiting schedule and keep in touch as often as you would like.

We started this program last year and have learned that both parties benefit from the visits and enjoy each other's company. Great friendships have been formed.

Please contact Nickole at 978 422 3032 to learn more about this great program!

More Home Cooking at the Sterling Senior Center!

Our luncheons are exclusively home cooked. Five-day-per-week yummy meals are prepared and served by our Kitchen Manager, Melissa, and an unbelievable group of dedicated, talented and fun volunteers. Lunch is served weekdays at 11:30. Suggested donation \$3.

A Guided Tour to
‘The Roof of Africa’

With Peder C. Pedersen

Mt. Kilimanjaro is a spectacular, extinct volcano in Tanzania, near the border with Kenya. Despite being located close to the equator,

the top is covered with snow and ice all year round. In June 2011, I fulfilled a long-term goal of trekking to the top of Mt. Kilimanjaro. In this presentation, I would like to tell you about my nine-day journey to the summit together with 9 other participants. I will share practical aspects, the enormous logistics of providing food and water, tell about scenery and plants, my preparation for the trip and cover some history of Mt. Kilimanjaro.
