DESIGNATED AUTHORITY OF BOARD/COMMITTEE CALLING THE MEETING

AGENDA

6PM: Meeting Commencement

6:00: Meet with Mr Mr. Harris of the DCR at the Stillwater farm about repairs. He is proposing to remove the small ell on the back of the barn which was the milk room up until 1969 when the dairy ceased operations. It's in tough shape. He wishes to have our input on the idea of razing the ell and boarding up the barn proper wall where it was attached, while leaving the foundation and a concrete cistern (used for keeping milk cool back in the day) in place as a footprint to what once was. We can either walk over there from the schoolhouse or you can also meet us there. 214-232 Redemption Rock Trail (rte 140), Sterling, MA 01564
