Message From the Director

Thank you all for your patience with the moving process. It has been a long road, but it will be worth it!

May is Older Americans month. This year's theme is "Blaze a Trail", emphasizing the ways older adults are reinventing themselves through new work and new passions, engaging their communities, and blazing a trail of positive impact on the lives of people of all ages. This coincides perfectly with the opening of the Senior Center. Come and reinvent yourself with all of the new programs.

Here are some interesting facts about Older Americans Month:

- 10,000 Americans turn 65 each day, and this year the first baby boomers will turn 70
- By the year 2033, the number of Americans aged 65 or older will outnumber Americans aged 18 or younger.

Enjoy life! Hope to see you at the new center.

Karen

If you would like a tour of the new building, they will be available from 10-12 during the week.

kphillips@sterling-ma.gov nboardman@sterlingma.gov Being a caregiver, while very rewarding, can be isolating. The Senior Center is looking to start a calling circle. Getting out of the house can be difficult at times. This calling circle would be caregivers calling caregivers to check in and give verbal support. Someone who is going through similar circumstances understands. We hope that this will help support those of you who feel all alone and overwhelmed at times. If you are interested, call Nickole at 978-422-3032.

Did you get sand from us this Winter? If yes, we would like to pick up your sand bucket in order to reuse them next year. If possible, leave them outside and someone will come and pick them up. If you have any questions, call the Senior Center at 978-422-3032.

Do you need to borrow a walker or other medical equipment? The Senior Center has some equipment to loan out. Call us at 978-422-3032 to see what equipment is available.
