

## 2024 DPW Seasonal Laborer Job Posting

The Sterling DPW is seeking seasonal laborers to join our team for the Summer 2024 season! Typical candidates are high school or college students who are 18 years of age or older with a valid Massachusetts drivers license. Work hours are 7:00AM to 3:30PM with a half hour lunch break Monday through Friday. The DPW is closed on June 19th, and July 4<sup>th</sup>. Our seasonal laborers work alongside our full time DPW staff primarily maintaining the grounds around town including athletic fields, parks, beach and cemeteries. Summer work at the DPW is a great way for candidates to add experience to their resumes, strengthen team work skills and learn about grounds work, tools and task management. Our summer staff has the opportunity to work with their hands as well as their minds and have access to well-maintained pieces of equipment each day. The DPW understands and is flexible for planned vacations and days off. As a member of the DPW team, we are looking for reliable and punctual candidates. We are always happy to provide a reference for seasonal help that demonstrates timely, hard-working efforts. Interested in learning more?
