

## STERLING MASTER PLAN COMMITTEE

Thursday, September 20, 2018 @ 6:30 PM

Topic: Cultural Resource Areas

### Agenda

- Welcome (please be sure to sign in!)
- Election of committee officers: chair, vice-chair, clerk
- Brief presentation/overview of a “typical” master plan cultural resources element.
- A look at common questions about cultural resource areas
- Discussion
- Adjourn at 8:30

### Reminders – Help!

- I will have new “community comment” boards to post around town. They need to go up in various places around town, as we did with the earlier boards. We need three or four volunteers to take charge of the boards.
- We need to start a photo library of Sterling so we will have plenty of images to use at the November public meeting. Again, I need some volunteers! We will use Dropbox or Google Drive to create a library of digital photos.

### Announcements

Veronica Buckley asked me to share the following with you:

In May 2018, the Sterling COA was awarded a small grant to perform an Age and Dementia Friendly Community Survey. On Tuesday September 18 at 6pm, the COA will hold a public informational session to discuss the results of the survey.
