TOWN OF STERLING  
TOWN CLERK**STERLING MASTER PLAN COMMITTEE**

Thursday, October 25, 2018 @ 6:30 PM

Topic: Open Space &amp; Natural Resources

**Agenda**

- Welcome (please be sure to sign in!)
- Planning for Nov. 29 Master Plan Open House event
- Brief presentation/overview of a "typical" master plan cultural resources element.
- A look at common questions about open space and natural resources
- Vision discussion

**Reminders - Help!**

- Please be sure to collect the comment boards that I left for you last month and bring them to the Oct. 25 meeting. We need the feedback residents provided so we can plan for the community meeting in November.
- We still need to gather more photos of the town. I'm particularly interested in having "action" photos (people doing things around town) and pictures of buildings. Please coordinate with me or Arden if you have pictures to share.

***What is a good vision?***

- A stretch, but still in the realm of achievable
- Makes people feel hopeful and optimistic
- Is a way to work with change

***A vision that works***

Helps a community to

- Reach for goals above and beyond what is normally expected
- Discover possibilities that were not apparent before
- Motivates people to take action together
