

It's Your Town, Too!

To: Sterling Town Center property owners
From: The Town Center Renovation Group
Re: Neighborhood Happenings

Working with the Town Administrator, Ross Perry and the newly appointed Town Planner, Domenica Tatasciore, a working group has met for several weeks to define and consider future priorities for a Village District in our downtown. Members represent the DPW, Light Department, Economic Development Committee, Library, First Church, Garden Club, Town Finance Committee, Board of Selectmen, Planning Board, Cable TV, Main St. Property Owners, and others.

As new ideas and plans develop, we are anxious to share the concepts with you, and to solicit your important perspective. Some of the topics we are discussing will directly affect your homes or businesses as work to things like underground wire runs and sidewalks will be upgraded. Roadways and parking issues, lighting and signage are also being considered, making your input so valuable.

We have confidence that the funding resources available to us via Chapter 90, MassWorks, Complete Streets and others will insure that we move forward with these improvements and reduce the impact on taxpayers scoring a "win/win" for you and all Sterling residents.

Please join us at our next meeting 2nd Floor Butterick Building Rm 205. Spring is coming, the snow will soon be a memory and this project is lining up to kick off! See the Town's web page for meeting dates and additional information: <https://www.sterling-ma.gov/town-center-renovation-project>. Or send your comments to Ross Perry, Town Administrator rperry@sterling-ma.org
